

## Mona: The Beginning

Mona Monie Ramirez was her father's little princess and she loved him with all of her heart but when tragedy strikes, she must quickly learn to fend for herself. With a jealous abusive mother and an unknown enemy lurking Monie is in for the fight of her life. Lorenzo Lo Baxter is mad at the world and feels that everybody owes him for his father not being in his life. With a chip on his shoulder and murder on his mind Lo sets out to paint the streets of Baltimore red. *Mona: The Beginning* is a fast pace tale of lies, murder, betrayal, deceit and disloyalty. The streets are loyal to no one.
