

Time After Time

Bewildered by a series of erotic dreams, Michael Ballantyne, a young graphic artist living in Los Angeles is eager to uncover their meaning. When he is informed that he is the sole beneficiary in an unknown mans will and is now the owner of a large estate in Hertfordshire, England, Michael feels that somehow he has been given a key to unlock the dreams mysteries. This feeling grows stronger when he comes face to face with Jonathan Robertson, a handsome Englishman, who more than just resembles the man in his dreams. Together they attempt to solve the mystery that surrounds the disappearance and apparent murder of Jonathan Harcourt, the son of the previous owner of Bedford Park. The mutual attraction they quickly feel for one another is hampered by the sudden arrival of Michaels jealous boyfriend, Steve Miller, and by Jack Trenton, a formidable and uninvited presence who has occupied the lodge by the estate gates. When Michael, along with his now ex-boyfriend, Steve, is held hostage by Trenton, it becomes clear that Bedford Park holds many more secrets than anyone ever thought. Michael and Jonathan are soon to discover that the keepers of those secrets are dangerous men, willing to stop at nothing in order to make an ancient oath come to pass.
