

Dining on Words: A tasty selection

Whether as a reader you prefer the occasional light bite or a meal of several courses, Dining on WORDS is certain to stimulate the taste buds of your imagination. This diverse collection of pieces by eight writers from the Yorkshire Writers Lunch brings together poetry, short stories, flash fiction, travel tales and comment. There are even three intriguing collaborative stories, where several authors contribute a portion of the tale to the overall dish. The tasty selection is structured like a menu so you can easily sample any type of dish that takes your fancy. Go on treat yourself to a feast of writing!
